

# Employee Survey

Determination of risks and stresses as part of the risk assessment

- Production \_\_\_\_\_
  - Warehouse \_\_\_\_\_
  - Office \_\_\_\_\_
  - Workshop \_\_\_\_\_
  - Laboratory \_\_\_\_\_
  - Maintenance \_\_\_\_\_
  - Other working areas \_\_\_\_\_
- Please identify up to ten activities, tools, work tools, machines and/or materials in your working area that, in your personal opinion, are hazardous to you or others.
- Rank the most hazardous activity as number 1, the least hazardous one as number 10.

Your Ranking	Hazardous Activities, Tools, Machines, Work Equipment, Materials

Please check off:

You are an Employee  Superior

**Assessment:**  
Further information about hazardous activities in the operation may be added to the table in the course of the assessment (Results of accident assessments, first aid log entries, expert knowledge etc.).
